

HALEY CUSTOM HOMES

If you don't build for your friends, you shouldn't be building for anyone else.

YOUR VISION BROUGHT TO LIFE IN A DREAM HOME.

HALEYCUSTOMHOMES.COM

You've dreamed the dream, you've seen it in your mind a thousand times. You know how you want to live in it, move through it, and share it with others. Now it's time to start building your dream home.

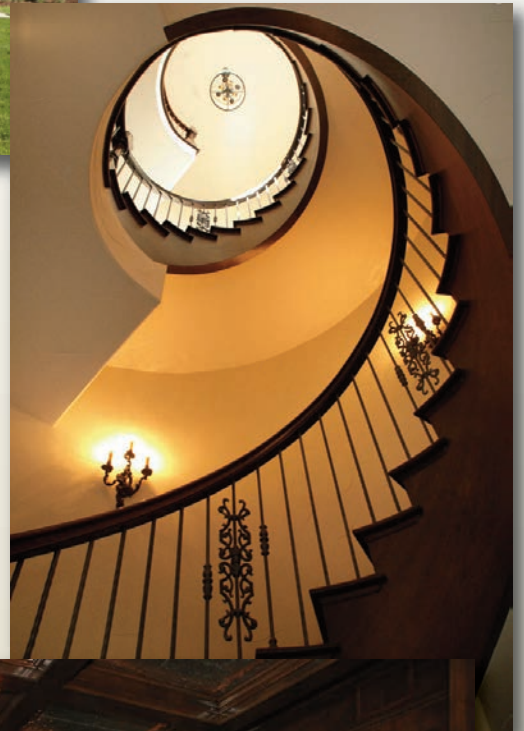

Haley Custom Homes is a recipient of the CHUBB Insurance "Masterpiece Protection Network". This is given only to a select few Custom Home Builders in the U.S.

Who better to provide you with the home of your dreams?

ATTENTION TO DETAIL

You know you want to work with a boutique custom home builder who has the experience and expertise to construct your vision, to your specifications, down to the finest architectural detail.

COLORADO TRADITIONAL

IN TOUCH AT ALL TIMES

Throughout all phases of construction, you want to be kept in the loop. Every step of the way, you want direct, timely communication, in job-site meetings and in prompt responses to phone calls and e-mails. You want the building process to be simple and easy, to be able to log into a website 24/7 and check out photos of construction, calendars of progress, and change orders.

EYE ON THE BOTTOM LINE

You want someone to keep an eye on the budget and bottom line of your custom home, you want competitive prices on building supplies and the same deep discounts national builders command. You want an energy efficient home, one that meets or exceeds today's "green" standards.

CONTEMPORARY MODERN

PARTNERS IN THE PROCESS

Before beginning the building process, you want a proposal that's as comprehensive and detailed as a business plan. You want a builder you can trust, someone you feel comfortable with, because you know you'll be working together closely for months to come. You want to look forward to each and every day as you watch your dream home rise from the ground, and you want to complete the project with an intense feeling of satisfaction, pride, and accomplishment.
